Quality Policy

Statement of Intent

The quality policy of PPC Ltd is to meet customer needs and expectations by establishing and maintaining an environment, which encourages all employees to focus on customer, needs and pursue continuous improvement in reliability, performance and the quality of products and services.

Throughout the company's activities particular emphasis will be placed upon safety.

To help us maintain this policy we are committed to:

- Listening to and focusing on the needs of our customers.
- Encouraging a culture of Safety, Quality, Housekeeping, service and continuous improvement.
- Maintaining a system, which meets the needs of our customers and business based on the requirement of the national and international standard BS EN ISO 9001 2015.
- Using targets and measures, which are reviewed and used to measure and improve the performance of the business and system against this policy.

Mohammad Arshad

Managing Director
